WORK EXPERIENCE

Gonzaga University – Graduate Assistant–Student Employee **Nov 2025 – May 2026**

- Serve as lead Graduate Assistant for conference planning, coordinating key workstreams and supporting execution across stakeholders.
- Coordinate communication between campus departments, external Spokane organizations, and the event committee to ensure alignment.
- Manage outreach and coordination with external organizations to support event participation.
- Track timelines and deliverables while keeping stakeholders updated to ensure deadlines were met.
- Drive accountability across cross-functional teams by monitoring progress and reinforcing timelines.

Stetson University – Lead Conference Assistant–Student Employee **May 2024 – Aug 2024**

- Oversaw the daily on-call response system, optimizing coverage efficiency and minimizing service gaps for over 1,800 camp attendees.
- Managed scheduling and task assignments for a team of 16 conference assistants using Excel-based rotation systems and on-call tracking tools.
- Communicated with external stakeholders and camp coordinators to align housing operations with program timelines and service expectations.

- Coordinated logistics to ensure residence halls were prepared for turnover, including key distribution, occupancy checks, and room readiness audits.
- Supported the delivery of housing services for summer programs, generating over \$500,000 in university revenue, ensuring high-quality service delivery across 10+ residence halls.

Stetson University – Student Organization Assistant–Student Employee

Feb 2022 – May 2025

- Supported 100+ student organizations by troubleshooting advertising system issues and optimizing event listing accuracy.
- Automated weekly Excel reports to track student engagement trends across campus organizations, improving report turnaround time.
- Collaborated with campus leadership to evaluate usage data and recommend improvements for digital signage outreach strategies.

Stetson University – Production Assistant–Student Employee

Oct 2021 – May 2025

- Used video production tools to maintain broadcast quality, reducing live-stream interruptions.
- Operated camera and live replay systems to deliver real-time video feeds for 50+ ASUN games streamed on ESPN, reaching 7000+ viewers.
- Coordinated pre-production setup and technical testing to ensure seamless live coverage, collaborating with cross functional teams under tight deadlines.

HOBBIES AND VOLUNTEER WORK

Volusia Community Church – AV & Visual Production Support–Volunteer

Mar 2024 – Nov 2025

- Troubleshoot AV hardware and software issues during live events, reducing technical disruptions.
- Optimize screen content delivery workflows using ProPresenter, improving efficiency and viewer engagement.
- Provides real-time technical support and coordinates with production volunteers to maintain seamless audio-visual experiences.
- Collaborated with the launch team to establish AV operations at the new church location, supporting camera, screen, and sound systems for live and recorded sessions.

Stetson University – Stetson Outdoor Adventure & Recreation Council Member–Volunteer

Feb 2023 – May 2025

- Supported planning logistics for outdoor events, integrating registration tools to streamline participant tracking.
- Analyzed participant feedback and trip data to propose scheduling optimizations that reduced cancellation rates.
- Implemented SOAR's program into the university's digital marketing platform, enhancing event visibility and increasing signups by over 90%.
